Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 30th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43836

Lack of infrastructure, doctors, dentists, schools, parking, commuter traffic through the village from an additional 1200 homes being built now and in the future, increasing the size of the village by 35% which is unacceptable. The Sewage system is inadequate and the Pagham Treatment Works is by their own admission at capacity and cannot take anymore unless upgraded. The Pagham Road is the most dangerous B road in the area with large HGV's travelling along it 7 days a week. Patching potholes is not the answer as HGV's cause very deep ruts in the mud each side of the road which slope into deep ditches. Further to this, no footpaths past the bus stop, no cycle lanes, no lighting, in all, the Pagham Road is just not built for large and excessive traffic.

Your views as made above will be considered before the application is determined.
