Good evening Simon,

Please be advised that the MWPA would offer no objection the application as it is not anticipated that the proposed development would prevent or prejudice the operation of the safeguarded waste management facility (Sefter Farm) to the north of the site by virtue of its distance (some 300m+) and its separation behind an existing residential receptor, of which there have been no known complaints received in relation to the aforementioned waste facility.

I trust this is sufficient, however, please let me know if you require a formal response and we shall issue one accordingly.

Kind regards,

Edward Anderson
