Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 1st February 2022 which has been recorded as an objection with the comments as follows:

I strongly object to this, I live on Mill Farm Estate where at present to enjoy privacy and peace. To be surrounded by houses where there are no rules (ie bonfires etc) puts park homes at risk!

This particular field is outside the settlement boundary of the village and also is in the strategic gap for Bognor/chichester. Pagham Road is a very dangerous road. As a car driver it is bad now but also As a cyclist I am unable to use it because of the volume of cars, lorries, tractors, the narrowness of the road and the state of the road. To generate more traffic is ludicrous. There would be one long traffic queue to get to and from Chichester and any emergency vehicles will not be able to access/egress the village. There is no infrastructure for even more properties in Pagham - already it is impossible to see a dentist or doctor.

Surface water is already a huge problem, the rifes are not maintained, to build even more houses would be irresponsible and put us at more at risk of flooding.

Your views as made above will be considered before the application is determined.
