Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT

Site Address: Land West of Pagham Road Pagham

Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 2nd February 2022 which has been recorded as an objection with the comments as follows:

OWPC43976

At its meeting on 1st February 2022, North Mundham Parish Council resolved to object to this application, citing its concerns about the additional burden on all aspects of local infrastructure. All aspects will be affected - sewage, road traffic, educational and medical facilities - with a particular impact on the traffic passing through North Mundham. Though it might be argued the incremental impact of this development would be limited, the cumulative effect of traffic growth on the B2166 has now reached the state where it is seriously detrimental to the quality of life in the Parish, and threatens to divide the community. We are also concerned about the growth of development creeping ever-closer to Pagham Harbour and its impact on the natural environment.

Your views as made above will be considered before the application is determined.
