Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 2nd February 2022 which has been recorded as an objection with the comments as follows:

OWPC43977

Apart from agricultural land getting destroyed, the road in and out of Pagham is very dangerous now never mind in the future when more houses go up. It is just a matter of time before someone gets killed. Another thing is the water and flooding in the area. One final thing will be the overstructure of Pagham village, its just impossible for the village to cope with this new development, there are insufficient dentists, doctors, schools etc even now. The condition of the main road is a danger now but with the extra volume of traffic the road will end up that bad that people will get seriously injured and fatal.

Your views as made above will be considered before the application is determined.
