Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 6th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44105

I strongly object to this planning application.

The area is outside of the settlement Boundary for the Village as drawn by Arun DC in 2018 and adopted. It is also part of the Strategic Gap between Bognor Regis and Chichester.

To travel on the minor road called Pagham Road on the application, It is most dangerous with the present traffic and the existing problems that are there. This plan does not seek to mitigate those problems. The surface water is a problem in this area and is a continuing problem that has not been rectified on existing site with out the ground level being raised and therefor the existing buildings being put at greater risk from ground water flooding, as is happening close to me

Your views as made above will be considered before the application is determined.
