Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: P/178/21/OUT  
Site Address: Land West of Pagham Road Pagham  
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 7th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44112

We are being surrounded by developments, all of which could directly affect us in the future. The field sits in a strategic gap for Bognor/Chichester. The field is next to a Biodiversity Opportunity Area. The land is good agricultural land. The infrastructure which is already under immense strain, will not support more development. Pagham Road is already a dangerous road with no footpath, no cycle lanes, no lighting.

Your views as made above will be considered before the application is determined.
