Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT

Site Address: Land West of Pagham Road Pagham

Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 7th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44133

This land is good agricultural land which has always sustained crops. We should not be building on such land that can never be replaced.

Pagham road is the most dangerous B road in the area with large HGV Lorries travelling along it 7 days a week, patching potholes is not the answer as HGV Lorries also cause deep ruts each side of the road which break away into the deep ditches either side of the road. There is no footpath past the bus stop, no cycle lanes and no lighting.

Another junction exiting onto the Pagham road so close to the existing Hook lane road and the proposed 2nd junction from the hook lane development would be dangerous and irresponsible.

Surface water flooding is always a problem in the area as the water table is only a metre down. The Pagham Rife is not maintained sufficiently ditches are not maintained and concreting over and Building houses will only make the problem worse despite the requirement of sustainable urban drainage schemes and soak away systems.

Pagham Treatment Works is by their own admission at capacity and cannot take anymore unless upgraded substantially. Over development and climate change could increase the already regular unlicensed sewage spills into the Rife.

The obvious lack of infrastructure, doctors, dentists, schools, parking, and commuter traffic through the village from an additional 1200 + homes being built now and in the future will be increasing the size of the village by

35% which unacceptable over development.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
