Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: P/178/21/OUT  
Site Address: Land West of Pagham Road Pagham  
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 10th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44250

I feel I must object against this further development in Pagham as it will cause the loss of good agricultural land that can never be replaced. The surface flooding will be added to will also create more difficulty in getting household flood cover for village residents. Pagham Road is difficult now with commercial traffic using it seven days a week and as it only takes one cyclist to cause long tailbacks along the road further heavy traffic will be caotic without any development along the road. The lack of community infrastructure in the village without extra facilities would be unacceptable.

Your views as made above will be considered before the application is determined.
