Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 10th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44255

The land at the rear of our property is deemed as agricultural and is therefore not suitable for residential use. We spent our entire life savings on buying this property, (at a premium) in order to have the views across the field and to enjoy the natural aspect of the property, including the deer, bats, birds that migrate here every year and the general piece and quite of the location.

We are sure, also that there are not enough facilities in the area to cope with yet another hundred plus families. Pagham road is a very dangerous road as it is, without adding two more junctions, so close to Hook lane. We also have fears for our right to light that would affect our standard of living in our older years!

Please consider these objections and see from a point of view of the older residents, that this application is thoroughly inappropriate.

Thank you.

Your views as made above will be considered before the application is determined.
