Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 14th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44347

We wish to thoroughly OBJECT to this application as in addition to the other hundreds of houses currently already cleared to be built in this small village it will in effect turn it into a town, ruining its current charm and destroying its reputation as a peaceful tourist destination - tourism is important to West Sussex!

If all this building commences then the area will be converted into a mud heap of trucks for years to come. Also there's no means of commuting from here other than lots of cars and resulting traffic jams? There's NO decent road leading to Chichester out of Pagham as it's narrow, dangerous and winding, NO footpaths along there either, NO cycle lanes and NO train stations for miles!

All these 1000s of new residents will be flooding Pagham Harbour and spoiling its tranquility. Even Church Farm holiday camp is considering leaving the area now it's becoming an urban sprawl!

Your views as made above will be considered before the application is determined.
