Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use from highway land to residential use for the development of 4 No. 3 bed terraced houses with associated parking & access. This application affects the setting of a listed building.

Land west of Barton House Manor Park Pagham

Thank you for your internet representation made on 10th March 2020 which has been recorded as '**an objection**' with the comments as follows:

I think to build on this well used and much loved amenity land is deplorable. My sister and brother-in-law have lived in Manor Park, Pagham, for 36 years and as a family we have had picnics here and exercised the dogs and thoroughly enjoyed this green wooded space. Manor Park is such a special road because of this very attractive wooded open space which the residents appreciate and use every day. Building four houses with three bedrooms here could add as much as another 16 cars - 4 cars per household which would be normal for families with 2 teenagers or children in their 20s who have not yet left home which is not unusual nowadays. Does anybody really want to see this pretty little road spoilt - if the houses are built they will be squeezed in with no community land left and even less room to park. This is becoming all too common on the new estates - please leave this little 1960s road alone and let the residents continue to live here with this lovely open space which is all so rare to have nowadays. Also there is less and less space for the wildlife in Pagham - the trees support beautiful birds and other wildlife. PLEASE, PLEASE, PLEASE - LEAVE THIS SPACE ALONE.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.
