Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/18/20/PL
Site Address: Land west of Barton House Manor Park Pagham
Description of works: Change of use from highway land to residential use for the development of 4 No. 3 bed terraced houses with associated parking & access. This application affects the setting of a listed building.

Thank you for your internet representation made on 10th May 2020 which has been recorded as an objection with the comments as follows:

OWPC26819

I am amazed, since when has building on a grass verge been a good idea? Grass verges are there for a reason. They are a vital safety gap between a dwelling house & the highway. Will the planning authority be asked to consider planning applications to build on every grass verge? I have a grass back garden, should I apply to build a block of flats on it? If so, please let me know!

Your views as made above will be considered before the application is determined.
