

Dear Zoe,

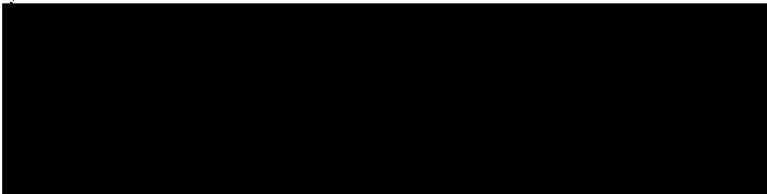

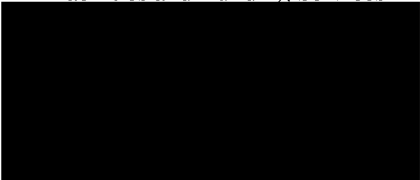

I can confirm that the proposed high level obscure glass window on the front elevation does serve the shower room. This is shown on the submitted drawings that form part of the NMA application which was submitted through the planning portal. These are attached for ease of reference.

Kind regards

Mark

Dear Mr Norrell,

Following our recent phone call regarding the obscure windows at the front elevation to be used for a shower room, please could you email me back to confirm that the above it correct.

I look forward to hearing from you.

Many thanks
