Dear Maria,

Environmental Health does not have any comments to make on the application, but would recommend that an informative be placed on any permission given:

The business is required to submit a 'Food Registration Form' to the Environmental Health department 28 days before opening. Further advice can be given to the business, for example, on the internal layout of the food premises. If the applicant would like further advice please contact the Environmental Health Service on (01903) 737755
