Pagham Parish Council considered the following applications at a meeting of its Planning Committee held on 24th February 2026. It would like to make the following comments:

P/13/26/HH – 2 Manor Park Pagham PO21 3JS. Two storey side extension with first floor over existing garage to create a habitable room. RESOLVED: NO OBJECTION – members recommend the LPA include a condition requiring obscure glass for the bathroom window.

P/19/26/HH - 15 West Front Road Pagham PO21 4SY. Erection of single storey non-habitable outbuilding and installation of new fence and gate. Erection of extension and alterations to fenestration of existing dwelling. Provision of ramps and steps. RESOLVED: OBJECT. Council did not feel all the issues with the previous application for this development had been overcome. In particular, this still represented overdevelopment of the site, and the new building would not be subservient to the original dwelling. It remains concerned about on street parking and would again draw attention to Pagham Beach Holdings Ltd's previous comments in respect of parking permission. Members felt the new design would be detrimental to the street scene.

Best wishes
