Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/1/21/PL
Site Address: Land at Summer Lane Pagham
Description of works: Material change of use of land from agricultural use to use for open space. This application is in part a Departure from the Development Plan, affects a Public Right of Way & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 12th February 2021 which has been recorded as support with the comments as follows:

OWPC33699

The field should be retained as open space as a natural protection against climate change and the ever increasing threat to Pagham of flooding. It would also alleviate the pressure that will be put upon Pagham Harbour with the area becoming more developed. There is also a public right of way that runs down Sumer Lane and is regularly used by local people, not only walkers and dog walkers but families with bikes, prams and pushchairs and let's not forget wheelchair users. Any development which increases traffic along this footpath will make access for many difficult and even dangerous. As green space however access can continue for the many and enhance what is already a well used local amenity.

Your views as made above will be considered before the application is determined.
