Dear All

I note from the e mail exchange below that there would now appear to be no reasons why my clients petition whose purpose is to ensure that the Full Council of Arun District Council give consideration to the revocation of the extant but unimplemented outline planning permissions P/25/17 OUT, P/140/16 OUT, P/134/16 OUT and P/30/19

OUT may not be debated by Full Council at its meeting on 17 March 2021 in accordance with the Council's constitution.

Therefore since the existence of this petition and the debate and its outcome are all material planning considerations in respect of the determination of Current Applications P/128/20/DOC, P/132/20 RES and P/4/21 please can you confirm that these applications will not be determined by ADC until the requested debate in accordance with the petition has taken place. Obviously the applicants statutory rights of appeal against the Council's failure to determine the applications will not be affected by such a confirmation.

Please place this e mail trail on each of these files pending the requested confirmation.

Thank you

Paul Collins BA (Hons) DipTP

Dear Mr Rawlins,
I acknowledge receipt of all the five emails with the petitions attached. We will now peruse the details to confirm compliance although a quick scan looks promising.

The next Council meeting where this can be considered will be in March. The Council meeting in February is a special meeting called to deal with Council tax setting and budget making.

Regards,

Solomon O. Agutu
Interim Monitoring Officer.
