Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/1/21/PL

Site Address: Land at Summer Lane Pagham

Description of works: Material change of use of land from agricultural use to use for open space. This application is in part a Departure from the Development Plan, affects a Public Right of Way & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 15th February 2021 which has been recorded as support with the comments as follows:

OWPC33765

I support this application. Summer Lane is not suitable for two way traffic. It quite simply is just not wide enough. We have used Summer Lane public footpath for over 40 years for exercising and dog walking. The condition of Summer Lane at present is appalling and currently in my opinion unpassable due to the dangerous activities of the current development taking place. Returning this area to public open space would benefit the community immensely. We have recently seen an increase in people utilising local open spaces as a result of the current restrictions caused by the Global Pandemic, and these open spaces have become some what crowded, therefore an increase in public open spaces can only be beneficial.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
