Description of works: Material change of use of land from agricultural use to use for open space. This application is in part a Departure from the Development Plan, affects a Public Right of Way & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 16th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33839

Heritage being over shadowed (old thatched cottage) rural lane with horses kept there for many years. Many of us walk round the Pagham's natural harbour & come up summer lane. More dwellings will lead to more effluents being dumped into harbour, upsetting natural balance & killing wild birds & animals! We have no shortage of local housing. The manhood Peninsula is made up of small villages which are being over built & made into towns to house Londoners who which to retire to this area. They used to have to wait for existing property to be put on the market!

Your views as made above will be considered before the application is determined.
