Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/1/21/PL
Site Address: Land at Summer Lane Pagham
Description of works: Material change of use of land from agricultural use to use for open space. This application is in part a Departure from the Development Plan, affects a Public Right of Way & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 18th February 2021 which has been recorded as support with the comments as follows:

OWPC33936

I support the change of use of the land to open space.

This is an area that is unfortunately being developed when it is actually valuable countryside supporting many different types of wildlife.

This area is also of huge importance to the local people. I have struggled to watch the building work that is currently being undertaken as I believe this is a huge error. Summer lane is a gateway to the fields surrounding and connecting to Pagham Harbour and I believe that this should be changed to open space within a view to keeping it as such.

Since march 2020 more and more local people have gained from this amazing area that we have on our doorstep.

I support the change of use of this land.

Your views as made above will be considered before the application is determined.
