Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/1/21/PL
Site Address: Land at Summer Lane Pagham
Description of works: Material change of use of land from agricultural use to use for open space. This application is in part a Departure from the Development Plan, affects a Public Right of Way & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 19th February 2021 which has been recorded as support with the comments as follows:

OWPC33961

The time has come to stop building on agricultural land around Pagham. Wildlife migrate here for the winter from Siberia and have done for many years. The nearby location of an SSSI Pagham Harbour should prevent building on this land combined with no infrastructure to support any more properties, Southern Water regularly pollute Chichester harbour with raw sewage because they don't have enough capacity to deal with our waste. The only road we have to Chichester floods every winter and has no foot or cyclepath.

Your views as made above will be considered before the application is determined.
