Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Garage construction 5m x 5m with pitched roof matching existing bungalow in appearance.

51 Harbour Road Bognor Regis

Thank you for your internet comments made on 31st March 2010 and recorded as follows:

No Objection but with comment as follows: ☐

☐

In principle Members were content to approve this application as a garage. However Members noted the cavity walls and the high level of roof insulation which they felt was somewhat unusual for a garage construction.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
