Dear Jennie,

Conditions 3, 5 & 14 were refused owing to the fact that we wrote to Martin requesting further details in respect of these March and April but none were provided. I can confirm that we did not receive a revised Planning Statement. You will therefore need to make a new application to discharge conditions in respect of nos 3, 5 & 14.

Kind Regards

Dear Simon,

In checking the progress of this application I notice that only some of the conditions have been discharged, can I confirm that the attached Planning Statement, which was revised in April, has been sent to you? I could not find a pdf version of it and Martin tells me there is some sort of hold up with the information he needs for drainage.

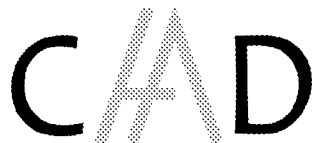

The revised statement contains additional details of hedging species numbers and tree sizes, as well as a spec for single directional (down only) lighting.

Kind Regards,

Jennie Leadbetter
