Zoe,

I would like to ask you for a replacement of 5B uploaded yesterday with this 5B which is attached to this email.
The agent has made a mistake.
In case you need the Action Sheet, please let me know.

Thank you

Kind regards

Maria

Stephen,

I am working on your proposal (last minute presuming it is too easy).
Almost everything is fine however you have send amended drawings due to reduction of number of parking bays.

The problem is that I have asked admins to replace dwg 5A with 5B.
Since you are not showing materials in 5B and 5A has been superseded I have to ask you to send me dwg 5B indicating materials as it is in 5A.

Thank you

Maria

following clearance of the boundary hedge it transpires that the permitted garage is too long and makes access to the bays difficult
we have therefore reduced the overall length of the garage down from 24m to 21m and there is now one less parking bay
please use the amended plans attached
the streetscene remains as submitted
Kind regards
