Good morning Simon,

I hope you are well.

I trust by now you may have noticed that we have recently submitted some discharge of condition applications for our Summer Lane development including a submission I made via the planning portal on the 20th of March for the drainage related conditions.

Since making this submission we have obtained Ordinary Watercourse consent from Arun District Council so I have attached a copy of the covering letter and consent which you can use as additional information to enable you to discharge Outline condition 10.

Regards

Peter Drury
Technical Manager
