Dear Peter,

On the Construction Management Plan, please note that the Parish have asked that it be amended to make it clear that contractors are not permitted to park in the Village Hall car park. They say that it is very near the development site and was likely to be empty when contractors arrived on site in the morning but the car park is for hall users only and is heavily used during the day.

You also have the WSCC Highways objections/comments on the CMP that I sent you on the 9th April.

Kind Regards
