

Please could you upload the correspondence below to the application folders P/134/16 OUT and P/24/20 RES?

Thank you

Mr Cole

Thank you for the information and update.

Please can you confirm that this is the only access plan for the purposes of conditions 3 and 21 on P/134/16 OUT and that there is no approved plan for the *'demolition of No. 80 Rose Green Road and creation of a pedestrian and emergency only access'* included within the description of the development approved

Please place this exchange and any reply on P/134/16 OUT and P/24/20 RES.

Dear Mr Collins

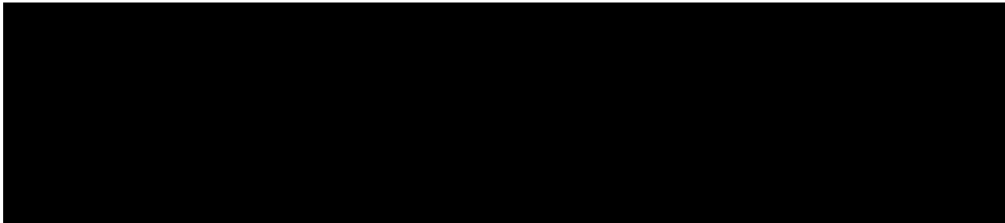

I refer to your e-mail sent on 6 April 2020 at 12:40.

1. The Clerk of Pagham Parish Council has been advised that the consultation period can be extended. They have subsequently indicated that an extension to 30th April 2020 should provide sufficient time for the Parish Council to consider and respond to consultation on this application.

2. The approved plan – *Proposed Access Arrangements - 12-018-024 Rev C* – now appears at the top of the first page of 'All Records' and 'Plans' in the application folder on the Council's website.

Regards

Raymond Cole

Dear Mr Cole

I have been asked by Pagham Parish Council to provide them with a report so that they may consider and then comment on the above application by the due date which is (according to your web site) 25-04-20.

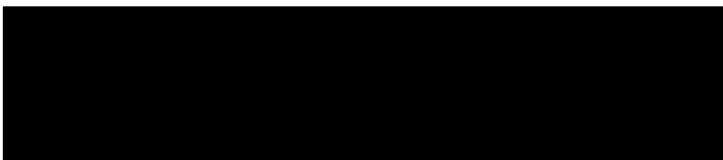

Firstly please can you confirm whether or not the comments due date is to be adjusted due to the current COVID 19 issues and if so what the new date is to be.

Secondly I note that Condition 3 on the outline planning permission granted under council ref: P/134/16 OUT to which this application relates states:

*3 The development hereby permitted shall be carried out in accordance with the following approved plans:
Site Location Plan - CSA/2038/113 Rev D and Proposed Access Arrangements - 12-018-024 Rev C.*

I have been able to locate and download approved plan *Site Location Plan - CSA/2038/113 Rev D* from your councils web file but I cannot locate or find approved plan *Proposed Access Arrangements - 12-018-024 Rev C.* on the same web file. I appreciate that I may have missed it given the number of plans on that file but it would be helpful if you could check and then let me know where I might view and download this plan.

Thanks
