22nd April 2020

Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Land North of Sefter Road & 80 Rose Green Road Pagham

Thank you for your internet representation made on 22nd April 2020 which has been recorded as '**an objection**' with the comments as follows:

I object most vehemently to this Development on the following grounds:

The surface water flooding and run-off problems this and the many other Developments in the surrounding area will create will cause serious contamination of the Pagham Rife and the surrounding fields, rivers, streams and the Nature Reserve itself. They could also cause increased air pollution levels that would be a danger to peoples' health.

There is already an overload of the local Infrastructure. Roads, schools, emergency access, road traffic and parking issues, public transport, medical centres, Doctors Surgeries. The roads are are overcrowded, full of potholes and in bad condition and are dangerous even during off-peak. The huge farms on the main roads already cause danger to other road users with the number of heavy vehicles entering and leaving them. Regular serious, road traffic problems are backed up into Chichester, Bognor and surrounding roads.

There are already too many new Developments in Pagham and the surrounding area and more Planning Applications are in queuing up behind this one.

If the recent floods over the Winter have proved that this area is a Flood Plain and should not be built on any further.

The current COVID-19 crisis should show us that too many people living in close proximity is a serious health hazard and should be avoided at all costs. There should be no more Developments in this part of the country until the current situation is over and the damage assessed.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
