Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Land North of Sefter Road & 80 Rose Green Road Pagham

Thank you for your internet representation made on 21st April 2020 which has been recorded as '**an objection**' with the comments as follows:

Sefter Road site and the surrounding area is prone to regular flooding. Taylor Wimpey's solution ultimately would result in the waste water being pumped into The Rife. Along with all the new proposed homes 4000+ dumping their grey water into this channel which is nitrate loaded which is not filtered out The Rife will be a chemical fail status for at least 10 years as per Southern Waters latest report. There is no new road updates or improvements to carry the additional number of cars that will be on our local B roads which are already overloaded. At peak times traffic will be at a standstill. New homes have no garages or off street parking and leads to cars being parked on the roadside endangering drivers due to the restrictions in space and their views being obscured, this has happened at the North Berstead development site. There are no new schools, doctor's planned with appointments already in short supply. There is no local work and no need for over priced non-affordable homes.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received

that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
