Thank you for your internet representation made on 20th May 2020 which has been recorded as an objection with the comments as follows:

OWPC26998

I strongly object to this application. I was born in Pagham and regularly return to visit friends and holiday. I never return in the Summer months now because the traffic from the A27 is so horrendous. The hundreds of cars into Church farm is bad enough but to built a huge housing complex in a small village, on essentially a one narrow road in, is absolutely insane. Apart from spoiling the uniqueness of this particular and usual corner of Sussex. I urge you to please reconsider this application and save this beautiful area from congestion, noise, pollution and another ugly housing estate.

Your views as made above will be considered before the application is determined.
