Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 20th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27019

The land is not suitable for all the buildings planned. The land often gets flooded. The main objection is because Pagham is a small village and at present the roads leading to Chichester and Bognor get heavily congested. If these houses get built it will create enormous road blockages and will become another access road like the road to/from Selsey and Hayling Island. The village is not geared up to take any additional housing/residents. The area is also an area for older residents. The building of these houses will completely destroy the area.

Your views as made above will be considered before the application is determined.
