Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 20th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27029

The area has insufficient infrastructure to accommodate any further housing. The Pagham Road can't cope with the present traffic and now we are all being told to cycle to help save the planet, that is one of the most dangerous roads with no foot or cyclepath. In the winter it floods and has to be closed. The whole area floods in the winter. All land should be retained for agricultural use, we have no need of more housing in an area with no employment or schools and Southern water can't cope with the waste generated at the moment and pump it into the sea.

Your views as made above will be considered before the application is determined.
