Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 20th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27032

Pagham already has flooding issues in several areas and building this amount of houses on ground which would have otherwise absorbed water is going to have a considerable adverse affect on flooding. This is yet another housing application in Pagham and the more houses which are built the worse the flooding will be. The water will be pumped in to the Rife? Well how is that going to cope with the 100s or 1000s of houses being built, and what chemicals are going to end up in there.

Another issue is the roads. The road between Pagham and Chichester is a) already not fit for purpose, the state of the road is terrible, and b) already suffers from horrendous queues in rush hour, making commutes to work and getting children to schools in Chichester a painful experience, and this development would put 100s of additional cars on that road causing horrendous gridlocks. The 100s of additional cars this development will put on the local roads will make it a more dangerous environment especially for children.

The impact on local amenities is not acceptable particularly the GP surgery where it will start to become impossible to get a same day appointment.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
