Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 21st May 2020 which has been recorded as an objection with the comments as follows:

OWPC27035

This application should be rejected as Pagham and its surrounding areas do not have the infrastructure to support such large scale housing developments. The road access into and out of the village is poor and often travel time from Pagham to Chichester can take in excess of 1 hour without any additional housing. The road is dangerous and not fit for purpose. School places within the catchment are already over subscribed. As are medical services. This particular development will be on farm land that is regularly flooded. Any development on this land will put existing residences at risk from flooding. I urge the planning officers to reject this and all large scale developments in Pagham.

Your views as made above will be considered before the application is determined.
