Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 21st May 2020 which has been recorded as an objection with the comments as follows:

OWPC27037

I object to this and any large scale development in Pagham and the surrounding area. My objection is largely because the area does not have the infrastructure to support this. There is limited work here which will mean that those people occupying houses on the development will have to commute in order to get to work. The road in and out of the village is a single track winding road that is often congested with traffic backing up in to the village of Pagham and back to the A27 at Chichester. The single track is dangerous and residents of Pagham are used to finding cars in the ditches on a regular basis. Schools and doctors surgeries are full. The land identified in this development is regularly flooded and building on this land will push the flooding closer to existing dwellings.

Your views as made above will be considered before the application is determined.
