OWPC27052

Pagham cannot deal with that number of houses being built. Roads cannot cope with a possible extra 6000 vehicles, the nurseries expanding has already placed extra pressure on the roads, schools are not big enough to cope, doctors is near on impossible to get appointments even now. Congestion will increase. Sewage plant already at capacity and the fields flood! Flooding will occur in the houses. No thought to impact on the village, the people who now live in the village or the abundance of wildlife that will also be effected.

Your views as made above will be considered before the application is determined.
