Thank you for your internet representation made on 22nd May 2020 which has been recorded as an objection with the comments as follows:

OWPC27129

Road infrastructure is not good enough, the back roads to Pagham are bad enough without the addition of 500 more cars!

The drainage for the field where will that go...more flooding? The field was a lake through winter, clearly not suitable for building! Just look at the problems being had at other sites where this was ignored/blind eyed!

Your views as made above will be considered before the application is determined.
