This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 22nd May 2020 which has been recorded as an objection with the comments as follows:

OWPC27153

I Strongly object to the application to build new houses at the proposed sefter road site P/24/20/RES. In brief there are many reasons including, the roads surrounding the area are already overcrowded, which cannot sustain any more vehicles being added to this, the drainage system in Pagham is not substantial enough to provide adequately for the homes already in Pagham let alone adding more on top, there is already a shortage of school places required for primary school children within the area.

I feel that Pagham should not be the dumping ground to fulfill the government's plans to build more housing. Pagham is a village, not a massive town and should remain so. The prices we have paid for our houses to live in Pagham reflect that it is a small village. Not everyone wants to live in a busy, overrun, overcrowded environment.

Your views as made above will be considered before the application is determined.
