Thank you for your internet representation made on 23rd May 2020 which has been recorded as an objection with the comments as follows:

I grew up in this area and still visit my friends and family here. I am really concerned for my family trying to deal with more cars on the already busy roads and the impact it will have on the doctors surgery and schools. I've seen the flooding in the area and it is totally unsuitable land for building houses. This is a ridiculous planning application and should not even be considered. I'm hoping to move back here soon, and the thought of it becoming so congested, overpopulated and overbuilt, is quite frankly putting me off the idea. Pagham used to be such a lovely place to live, but it is now being completely ruined!

Your views as made above will be considered before the application is determined.
