Thank you for your internet representation made on 23rd May 2020 which has been recorded as an objection with the comments as follows:

OWPC27186

This area is already overdeveloped
This field regularly floods and to put houses here will reduce the amount of land that can soak up the water and simply move the water to another place.
There are not enough jobs in bognor so residents travel to Chichester. This road is already severely congested and it can take up to 40 minutes to reach the A27.
Our schools and doctors are already full.
Pagham village is loosing it's identity.
Green space between Bognor and Chichester is needed for wildlife and flood areas.
Pagham harbour attracts a huge variety of wildlife and they need and use this land.
Houses will increase car pollution in the area.

Your views as made above will be considered before the application is determined.
