OWPC27202

Where do I start? Single carriageway road, unlit, no pavement, totally unsuitable/unsafe/ dangerous! Local sewage plant working to capacity NOW. This filed flood nearly EVERY winter, local rife can not cope with all this excess brown water/pollution/local nature reserve. School already use portacabins as the classes are FULL. doctors and dentists have waiting lists. This is GRADE ONE prime arable land, local farmers need this field. What happened about the strategic gap? PLEASE THINK and make the RIGHT decision, this application is ludicrous.
