Dear Sirs

whilst i realise houses have to be built, Pagham area is not the best you could have chose, you will be building on prime farm land with which we may need in the future seeing what the corona virus has done. Once it has gone it has GONE. Also the roads are already congested without the already approved planning being built .It would have been a good idea to have the first lot built to see what effect it has on the area instead of approving all building then sit back and see what happens leaving the residents to deal with the aftermath. The roads are another issue,they are all minor roads out of Pagham and now on occasions it has taken me nearly an hour to get to Chichester which i know it is not your concern but as Arun district residents it should be!

These objections along with loss of wildlife , flooding, lack of schools ,doctors, hospitals really should be of a concern to you

yours faithfully
R Palmer
