Dear Sir/Madam,

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 29th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27308

Having read the proposal for more houses in Pagham on sefter farm site I object strongly. There is already far too much congestion which will only get worse if these houses get the go ahead. Pagham is a village which will lose that status due to all the other houses that have been approved by Arun over the past year.

Surely Pagham has been hit hard enough with the so called Masterplan, objection after objection has so far been ignored, so I would urge this latest proposal for 280 more houses not to go ahead.

I understand there is need for more houses, but not in Pagham, traffic will continue to get worse, open spaces lost, wildlife put at greater risk, I could go on. But other people are saying this, so now maybe it's time to listen to the residents of Pagham and not focus on just profit over people's objections in this matter.

Your views as made above will be considered before the application is determined.
