Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 30th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27343

Strategic sites that have been targeted are even now growing food that is currently being harvested by one of the largest food packing and manufacturers in the Pagham area. Importing crops from abroad is not the best option especially as we leave the EU and the recent pandemic has brought to the fore how reliant we are on China. Our new way forward from this should be to buy less and produce more, thereby creating our own self sufficiency and increasing our local workforces.

Unfortunately local council planning decisions are being influenced by attractive developer money and offers of land to meet their infrastructure needs over and above building the right homes in the right places. 50% of the new allocations are within the 5km zone for Pagham Harbour Nature Reserve, which is one of the best places for wildlife in the UK, covering approximately 600 hectares and has LNR, SSSI, SAM, MCZ, RAMSAR and SPA status.

Your views as made above will be considered before the application is determined.
