Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/24/20/RES
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham
Description of works: Approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) and condition 7 (landscaping and layout details) following the approval of Outline planning permission P/134/16/OUT for the erection of 280 dwellings, (including affordable homes), replacement scout hut & Ambulance Community Response Post Facility; provision of a primary vehicular access from Sefter Road; demolition of No. 80 Rose Green Road & creation of a pedestrian & emergency only access; provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks. This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 31st May 2020 which has been recorded as an objection with the comments as follows:

OWPC27358

Pagham cannot cope with any more houses and all that accompanies these dwellings, the roads in and out are already preposterously busy, schools and doctors surgeries are already full. Pagham is a VILLAGE and is of significant natural beauty i.e. Pagham harbour etc, there is a host of natural habitat and wildlife which reside in the area. I cannot understand why (when it is at the end of the road in and out) anyone would see this is a beneficial place to build houses when there are so many other area's that would benefit through good infrastructure and room to build more schools and doctors surgeries etc. Leave Pagham as a village - don't make it into a town.

Your views as made above will be considered before the application is determined.
