Thank you for your internet representation made on 31st May 2020 which has been recorded as an objection with the comments as follows:

OWPC27365

This Proposal is simply outrageous. There are numerous issues with the proposal and these have been made very clear throughout the process. Nevertheless, the most concerning of all is the fact that The Pagham Road just cannot handle any more traffic. It's a true bottleneck and is actually dangerous at times. Better road infrastructure is needed before more dwellings are even considered.

Your views as made above will be considered before the application is determined.
