Thank you for your internet representation made on 2nd June 2020 which has been recorded as an objection with the comments as follows:

OWPC27421

I feel that it is wrong to build more houses in this area as the infrastructure cannot cope. The roads, in particular, are already dangerous and busy and the addition of more people and cars would overburden what is already stretched.

Your views as made above will be considered before the application is determined.
