This application also lies within the parish of Aldwick. This site falls within the Pagham North SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 2nd June 2020 which has been recorded as an objection with the comments as follows:

OWPC27423

I totally object to further housing development in Pagham. Already the only road in and out of Pagham is already under strain with the current level of traffic. More housing brings more traffic at a greater risk of accidents along a narrow busy road. Current doctors surgeries, and schools are already over subscribed. So far a huge amount of greenbelt land has already gone to developers in and around Pagham. There is also the wild life to consider. What is a lovely village is threatened to become a huge city. Enough is enough.

Your views as made above will be considered before the application is determined.
