OWPC27431

Building more houses in this location continues to destroy our surrounding area. The schools are over subscribed lacking funding and additional teaching staff to support the ever growing challenges in children due to deprivation and structure. The Gp surgeries are drowning coming under criticism and abuse for not having enough appointments and staff to see the over populated communities. I work with in this sector and we will not be able to sustain the services. The drive to work coming out of Pagham is dangerous and ridiculous due to the increased volume of cars and lorries. The nature and wildlife that is destroyed is heart breaking and the actions of the new developments is life changing for the worse!!

Your views as made above will be considered before the application is determined.
